Product Transfers

We are pleased to introduce product transfers which should give advisers a greater level of confidence when recommending Fleet to new borrowers. We believe that having a product transfer option will help support ongoing property investment and provide peace of mind to borrowers.

Why switch to a product transfer with Fleet?

- Competitive product range presently priced at new business rates with a reduced completion fee
- Two- and five-year fixed-rate options (Standard, Limited Company and HMO/MUFB)
- Less paperwork to complete - No legal work*, application fee or valuation required

* Some alternative options may involve legal fees but if they do, Fleet will pick up the bill
